WISCONSIN DELLS
Your Grown-Up Getaway
If this past year taught us anything, it’s to not take for granted the time we get to spend together. We were reminded to cherish all the little moments in life, whether that’s toasting to togetherness, the beautiful outdoors or just good old-fashioned fun. We suspect you were too.

This year brings a major milestone worth celebrating for Wisconsin Dells, 15 years as “The Waterpark Capital of the World!” While the moniker became official in 2006, the history of waterpark “firsts” in Wisconsin Dells dates back to 1989 when the Polynesian Water Park Resort was the first to put a roof over a waterpark. I guess you could say the indoor waterpark was invented right here in Wisconsin Dells.

Fast forward to 2021, and you’ll find slides of all kinds in the Dells, ranging from those scream-inducing plunge slides to bowl drops, water roller coasters and racing speed slides. We couldn’t resist dedicating an entire feature to mark the 15th anniversary – it starts on page 8. Beyond the numbers is pure nostalgia, with generations of families returning year after year to bond poolside.

So, as you begin planning a road trip to Wisconsin Dells, be sure to include a waterpark or two on your itinerary and check out all that’s new this year too – turn to page 14 for the full story.

If you want to go all in with a classic-themed vacation, turn to page 35 for ideas on adding a scenic tour and an evening at the drive-in theater to your list, with lodging at a family-run motel. There are some wonderful animal attractions in the area (page 59), so don’t miss out on those either.

There’s one more item we’re celebrating this year and that’s you, as in the collective “you,” our loyal visitors who make our resort community a chapter in their lives. Throughout the guide, you’ll find guest memories – or “Splashbacks” – which have been shared with us over the past year. We’re so grateful to be part of your memories. Looking forward to seeing you soon!

All the best,

Romy Snyder

If you're looking for an iron-clad reason to visit Wisconsin Dells in 2021, here it is: The community is marking 15 years as “The Waterpark Capital of the World!®”
Romy Snyder, longtime President/CEO of the Wisconsin Dells Visitor & Convention Bureau, grew up in the Dells, learning the hospitality ropes at a motel owned by her family. She also served as Marketing Director for the Wisconsin Department of Tourism for a number of years before returning to the community. With a resume like that, Romy is uniquely qualified to offer a “then and now” reflection on the community. “There is no doubt that the first indoor waterpark at the Polynesian Resort, followed by the waterpark development initiated by most area resorts, gave the Wisconsin Dells area a point of differentiation to other Midwest destinations. For nearly 40 years now, the Wisconsin Dells community continues to enjoy the top spot as a waterpark destination,” shared Romy.

As for the official “waterpark capital” proclamation, Romy explained it with this wonderful anecdote: “While indoor waterparks were being added to resorts across the country, no single destination could claim the number and size of what the Wisconsin Dells area had developed. We knew how powerful the brand had become when a bellman in New York City parroted back to one of our business owners visiting the city, “Of course I’ve heard of Wisconsin Dells – it’s ‘The Waterpark Capital of the World®’.”

Waterparks first slid into the area’s DNA back in the early 70s when the first waterslide (made of cement, as the story goes) was christened. Shortly thereafter, in 1978 Family Land opened (you may now know it as Mt. Olympus Water & Theme Park). Things really picked up steam in 1989 when the Polynesian Water Park Resort opened the country’s first indoor waterpark, paving the way for a new climate-controlled option for visitors.

In the decade to follow, the development of waterpark resorts including Wilderness Resort, Kalahari Resorts & Conventions, Great Wolf Lodge and Chula Vista Resort really catapulted the area to waterpark stardom. These weren’t just any waterpark resorts, mind you, they were the instant darlings of waterpark enthusiasts the world over. The reputation was earned by being the largest of their kind at the time and the first to market with the latest waterslide technology including massive wave pools, water roller coasters, upside-down plunge slides and surf machines. The resort owners, all locals, realized this small community could hold court on the international stage and evolved the Wisconsin Dells family vacation model by adding exhilarating waterpark experiences to complement the many beloved attractions that dotted the landscape.
By 2005, you could say critical mass was achieved. And by “critical mass,” we mean Wisconsin Dells was able to verify it had more waterparks per capita than any place in the world and could rightly lay claim to being the world’s waterpark capital.

To this day, destinations around the world continue to look to Wisconsin Dells’ waterparks to pioneer exciting new slides and rides. The owners never disappoint, consistently running up their list of “biggest and best” waterslide additions. For example, Wilderness Resort is America’s largest indoor/outdoor combo waterpark resort. They even built a see-through dome to cover their massive indoor wave pool, creating a tropical environment in America’s heartland. Kalahari Resort has the largest indoor waterpark in Wisconsin, with an indoor surf machine that’s a crowd favorite and trap-door slides with a high “chicken out” factor. Mt. Olympus is known for its outdoor wave pool with waves that crest at nine feet and its six-story outdoor water fortress. Great Wolf has established itself as the waterpark resort of choice for parents with toddlers thanks to sized-right and cleverly themed waterpark offerings. Chula Vista Resort, perched on a cliff overlooking the Wisconsin River, proved that weaving in thrilling man-made water attractions with natural scenery is a win-win.

It’s worth noting that many of those founding waterparks have gone on to build resorts in far-flung parts of the country, a testament to their...
"Wisconsin Dells was able to verify it had more waterparks per capita than any place in the world!"

popularity. Yet, the originals are in the Dells and the originals are what waterpark fans always keep on their vacation itinerary.

Given the storied history of waterparks in Wisconsin Dells, resorts are now seeing second and third generations of waterpark-goers, each new generation equally as enthusiastic about their first waterpark experience as the one before. For many, that first experience includes plunging down racing slides to see which family member makes it to the finish line first or taking a spin in a four-person tube ride with everyone screaming at the top of their lungs.

So, this year, grab your towels, goggles, sunscreen and flip-flops and help Wisconsin Dells whoop it up for 15 fun-filled years of world waterpark domination.

Wisconsin Dells faced a tall order for 2021: Make it the vacation year that visitors have been dreaming about for months on end. As evidenced by all that’s new for 2021, business owners have granted that wish in impressive style and then some.

**THINGS ARE LOOKING UP IN 2021**

**Downtown Fun**
The popular Wizard Quest attraction has relocated, taking over the 400 block of Broadway, with a greatly expanded attraction plus a village market that includes a restaurant, gift shop, toy store and ice cream parlor. This reincarnation is nearly three times the size of the original with lots more secret passages and hidden entrances to explore. Expect to use the full two hours allotted to solve mysteries in this combo digital/real life game spread out over four levels. Between the main quest games and side quests within those, there will be upwards of 32 quests for gameplay to solve. Wizard Quest is a favorite, especially for visitors ages 12 and up. The attraction will be easy to spot – just look for the life-size dragon on the roof.

If oddities are your thing, then make time to explore Ripley's Believe It or Not! Museum, also expanded, taking over the space formerly occupied by Wizard Quest in the 100 block of Broadway, with nearly 100% of the exhibits turned over to make way for new artifacts. There’s also a new concept for immersing yourself in the Ripley's experience, and that’s to use scientific methods, combined with modern algorithms, to determine your personal “style” of weird. This is the first Ripley's in the country to offer this. Look for the revamped Ripley's to open in early summer.

The instantly popular Asgard Axe & Tap axe-throwing attraction has relocated to larger digs a block off Broadway in downtown Wisconsin Dells. Unleash your inner Viking with a try at throwing axes — there are ten spacious throwing lanes spread out over 8,000 square feet of space — then head to the bar area where you can choose from 24 craft beers on tap plus a full menu of pub food favorites. The owners also have a lower-level bar in the works that will feature vintage arcade games for grown-ups. A foolproof recipe for a fun date night.

Modern times call for modern means to say “I do,” and that’s where the Dells Bells Wedding Chapel comes in, with its new drive-up wedding option. Here’s how it works: Make a reservation for the day that works best for the two of you, pull up to the chapel and text them your parking stall number, and the officiant will come out to you. You’ll never have to leave your vehicle. When the vows and ring exchange are complete, just drive off into the sunset as a happily married couple.

If you’re the sentimental type who loves having photos to reminisce over, an old time portrait sitting should sit well with you. At Prof. Porter’s Old Time Portraits, they’ve just introduced a new Sherlock Holmes theme, right down to the iconic coat, hat and pipe. A costume that mimics that of his sidekick Watson and fancy dresses favored by women of the Victorian era are also stocked. At Old Abe’s Old Time Portraits, their newest theme is “mermaids,” with a large selection of colorful costumes and headwear for infants through adults.

**WITH A DOWNTOWN FACELIFT, NEW OPTIONS FOR GOLFERS AND ATTRACTIONS THAT WILL GET YOUR HEART PUMPING**

**Take Flight, Wilderness Aerial Adventure Ride**
Up, Up and Away
Dells Zipline Adventures is adding a 15-story launch ride called The Ultimate Rush, planned to open Memorial Day weekend. Two riders at a time are catapulted high into the sky before bouncing back to earth. Also new to the Chula Vista Resort complex is a 10-story-tall, dual-racing zipline adventure where you fly face-forward, superhero-style, affording spectacular views of the outdoor waterpark, golf course and Wisconsin Norway pine trees. So just how fast will racers zip? Riders have been clocked at upwards of 25 mph. This parallel zipline adventure is one of only three in the country. It’s open April through November.

If you’re looking for more views to take your breath away, then the new Skydive Wisconsin Dells attraction is also a must-try. Soak in the vistas of Lake Delton and Wisconsin Dells as you make the jump attached to an accredited skydiving instructor. Skydiving season is mid-April through the end of September, 9 a.m. to sunset. Here’s a tip: Book a skydive early in your stay just in case weather bumps you to a later day during your vacation. Skydive Wisconsin Dells is located just a short drive away in Reedsburg. You must be at least 18 years of age to jump, with a maximum weight of 240 pounds.

If virtual soaring over Wisconsin Dells is more your speed, then head over to Wilderness Resort for their Take Flight, Wilderness Aerial Adventure Ride indoor attraction, with 2021 marking their first full year of taking visitors on this high-flying in-theater experience. The seats move and your feet dangle, giving the sensation of flight, as imagery of the beautiful Dells’ countryside, and other U.S. landmarks, plays on the massive 65-foot wide by 48-foot high screen.

Short Course, Big Improvements
The 12-hole Short Course at Trappers Turn Golf Club opens in July, with the designer none other than Wisconsin native and two-time U.S. Open winner, Andy North. This latest course addition features large, undulating greens, dramatic elevation changes, and routing over and around ravines, making it a quintessential Wisconsin Dells course. There are no set tee boxes, with lots of areas to tee off from, making it both fun and challenging. Golfers should plan to set aside about two hours to play the 12-hole course.

Trappers Turn is also putting the finishing touches on a fully lit one-acre putting course that will open mid-summer as well. The 12 holes here can be changed from one day to the next based on the whims of the golf superintendent.

Wine buffs will be interested in the new 1,000-bottle wine cellar located inside the clubhouse at Trappers Turn. Book a private gathering for up to 12 and let the sommelier help with selections from the high-end wine list. Ask about wine-paired meals and seasonal wine offerings too. There’s also a locker system for true enthusiasts who enjoy access to special wines. Interesting side note: Trappers Turn put in a vineyard on the property several years ago, growing grapes not for wine but rather a >
signature brandy that will be made in partnership with Wollersheim Winery & Distillery once the vines mature in a few more years.

**We Have What You’re Craving**

Hard seltzers continue to take the libation category by storm, and Moosejaw Pizza & Dells Brewing Co. is going all in with its own line of flavored alcoholic seltzers. The first is a Cranberry Cherry Seltzer, available on tap and in growlers to go. They also debuted a new barrel-aged beer program with a dedicated tap for flavors such as Gin Barrel IPA and Belgian Chardonnay. The restaurant has 16 of their own microbrews on tap every day.

If you’re in the mood for a private beer or wine tour of the Wisconsin Dells area, look up Dells Trolley Tours & Limo Bus. They’ve also added private city history tours and even a haunted tour.

On the foodie front, visitors will appreciate the spruce-ups at two area restaurants. Mexicali Rose expanded their outdoor seating area, adding even more space to take in those incredible views of the Wisconsin River. At Stuff’s Restaurant & Catering, diners will like the all-new look inside almost as much as they like the old-time comfort food favorites that fill the menu there.

For lavender lovers, New Life Lavender & Cherry Farm is adding eight acres of wildflower fields plus waterfalls as a pretty accompaniment to their 14,000 lavender plants. After touring the farm, step inside the shop to create your own custom essential oil blend roll-on, then treat yourself to their newest confection, lavender macarons.

**Investing in Preservation**

The much-anticipated reopening of the International Crane Foundation to show off their $10 million renovation and expansion is set for early May 2021. This is the only place in the world where you can see all 15 species of cranes. The transformation includes a new George Archibald Welcome Center, named for the co-founder of the Foundation, with a view to the outside and the sandhill cranes area; interpretive exhibits chronicling memorable stories about the Foundation’s conservation work in places like Africa, Southeast Asia, Australia and China; wetland habitats for potential nesting for each crane exhibit; murals by local artists; and an expanded gift shop. Just as remarkable as the renovation is the group’s worldwide mission - to conserve cranes and the ecosystems, watersheds and flyways on which they depend. The Foundation is located just a few miles south of Wisconsin Dells.

The volunteers at Mid-Continent Railway Museum are looking forward to their first full season of welcoming visitors to the recently completed Laurence Dorcy Building, an expansive exhibit hall that houses a 1905 steam locomotive, a 1925 gas-electric self-powered railcar, and eight other rail cars from the late 1800s and early 1900s. The building represents the largest expansion of indoor exhibit space at Mid-Continent Railway Museum in more than 40 years.

Congratulations and good wishes are in order for the Kaminski family, celebrating 70 years of ownership of the Chula Vista Resort. While the original resort that once stood on the grounds there opened in 1873, the Kaminkskis purchased the business in 1951, with the fifth generation now caring for the resort and all its attractions. To honor the history of the resort and the community, the Kaminskis purchased more than 400 photos by pioneering landscape photographer H.H. Bennett. Those photos adorn the recently remodeled north and south hotel towers at Chula Vista Resort.

And finally, a few more reasons to celebrate this year. The Original Wisconsin Ducks® embark on their 75th anniversary and the Wisconsin Dells community marks it’s 15th year as “The Waterpark Capital of the World!”

Awe. That was the emotion experienced by first-time visitors to Wisconsin Dells, many who traveled north from Chicago by rail back in the 1850s to see the rock formations that seemed of mythical magnitude as captured in the photos of local photographer H.H. Bennett. And it’s what today’s travelers still feel when they first set eyes on the mosaic of natural wonders in this small central Wisconsin community.

The sandstone cliffs are the main draw, formed some 14,000 years ago when a glacial lake was unleashed following the final melt of an ice dam. The waters sliced through the rocks to create fascinating formations that stand tall on either side of the Wisconsin River. >
Visitors have lots of choices to immerse themselves in the natural beauty of the Wisconsin Dells area, starting with Wisconsin River tours of the Upper and Lower Dells offered by Dells Boat Tours®. There are also land-to-water tours of the Wisconsin River and Lake Delton courtesy of Dells Army Duck Tours whose route is the Lower Dells where the Sugar Bowl and Grotto Island bluff formations are the highlight. The Original Wisconsin Ducks® float passengers across man-made Lake Delton, through scenic woodland trails and along the Lower Dells. Jet boat tours are for those who crave exhilaration with their river scenery — choose from Jet Boat Adventures or WildThing Jet Boats.

**PADDLING**
Rent a kayak or canoe from Dells Kayak, Canoe and Tube Rentals and glide across the waters of the Lower Dells of the Wisconsin River. Mirror Lake State Park: Boat & Kayak Rental has kayak and stand up paddleboard rentals for a sublime outing on this smooth-as-glass lake.

When you’re done paddling, try pedaling the off-road bike trails at Mirror Lake State Park, all nine miles of them, or enjoy the multi-use path around Lake Delton.

If you’re bringing your own boat, you’ll find a public launch on the Wisconsin River at Newport Park. Dells Watersports: Full Service Marina & Boat Rentals has a nice variety of rentals on Lake Delton, including pontoon boats, ski boats and wave runners.

**DID YOU KNOW?**
Native Americans canoeing the river were the first to gaze upon the natural wonders of this region. Later, they guided French explorers through the water passageways. The French were charmed by the honey-hued sandstone towers that resembled stacks of pancakes and, in fact, the word “Dells” mimics the French word “dalles,” meaning “slabs of flat rock.”

DID YOU KNOW?

One of the most endearing spots for a multi-generational getaway is Wisconsin Dells and for good reason. Business owners, many of them locals, built their businesses on the belief that family time was to be cherished and those core values can be clearly seen in the visitor experience.

For everyone eager to get that extended vacation with extended family on the calendar, there’s a lot to love about the Dells. Suggestions for memory-making just ahead.

Adventure seekers can head to Mt. Olympus Water & Theme Park to ride roller coasters or race grandma around one of the area’s many go-kart tracks. Zip through the trees at any of the four zipline outfitters in town. Saddle up and take in the countryside by horseback at any of the three area stables. One of the most thrilling things to do in the Dells? Visit a waterpark resort and take a turn on a trapdoor or plunge slide. Take a Wisconsin River cruise by double-decker boat, Duck tour or jet boat, the choice is yours. The cliff formations are a sight to behold.

Show your competitive side with a little mini golf. Pirate’s Cove Adventure Golf has an impressive five courses with 91 holes while Timber Falls Adventure Park has four courses set right alongside the rugged shady terrain of the river. Several indoor options are available too. Both young and old will enjoy the petting zoo and playing on the farm at Country Bumpkin Farm Market & Li’l Bumpkin Play Village. Have a midday picnic at Riverside & Great Northern Railway and go for a three-mile train ride on their 15-gauge passenger train through the scenic countryside.

Indoors, your entire multi-gen group will enjoy the feats of magic at the Rick Wilcox Magic Theater, with the fast-paced, large-scale...
illusions updated every year. The gadgets, gizmos and interactive science exhibits at the Tommy Bartlett Exploratory – Interactive Science Center are as much fun for the grandparents as they are for the kids. The area’s many escape rooms rely on critical thinking and family teamwork to solve the mystery, and the clock is always ticking.

One-of-a-Kind Souvenirs
Plan a family portrait at one of the old-time portrait studios like Old Abe’s Old Time Portraits, Capone’s Original Old Time Picture Studio or Prof. Porter’s Old Time Portraits. You’ll find treasures for everyone in the family like moccasins, fun picture frames, warm Wisconsin Dells hoodies, fancy woodwork, hand-blown glass or maybe even a piece of Native American art. You can never go wrong with treats. Take home some fudge, a caramel apple, savory popcorn or even a whole cheesecake – perfect for sharing!

What’s on the Menu?
Although a few meals will likely be made and enjoyed together at your vacation home base, you’re bound to eat out at least a couple times so go ahead and ask the brood, “What are you hungry for?” River Walk Pub Food and Spirits recently added a party room, the perfect spot for a multi-gen group, with access to the stone patio, beer garden and the scenic Wisconsin River walking path. Make this your Friday night choice for the fish fry. Moosejaw Pizza & Dells Brewing Co. creates its pizza dough from scratch every morning. Thick, thin, folded (that’s a calzone), yes to all. Make sure everyone in the family agrees to don their signature paper antler chapeau for at least one group photo. Even if it’s your last night out, make reservations at a supper club for a memorable family meal.

Browse the 90+ dining options starting on page 137 for the best group options.

You can find complimentary attraction tickets with overnight stays, free live music choices and seasonal deals that keep your vacation plans in the “budget-friendly” category. Here’s a rundown of added-value offerings that are sure to please the entire family.
It's not just the waterslides (although those are lots of fun too). From the Upper Dells to Lake Delton, there’s beauty and fun all around.

ROXANNE P.

WHERE TO STAY: The greater Wisconsin Dells area has more than 3,200 campsites and camp cabins to choose from, and they’re such an economical choice. Lots of hotels and resorts around town do a nice job of partnering with area attractions in providing complimentary admission tickets for their overnight guests. Check out the full listings, starting on page 122, to see which area hotels and resorts include attraction packages.

WHAT TO DO: Need more “free” in your vacation? There is free outdoor entertainment nearly every summer evening in downtown Wisconsin Dells. The Scenic River Walk is always free year-round for visitors hoping to catch a glimpse of some of the rock formations that flank the water’s edge of the Wisconsin River.

Three state parks for hiking and biking are close by and park passes are a good bargain for the 50+ miles of trails available to explore. Window shopping downtown doesn’t cost a dime, although it’s a sure bet you will find some affordable souvenirs. Here’s a tip: To ensure tweens and teens stay within budget, give them a preloaded Wisconsin Dells Gift Card good at more than 200 area businesses.

Celebrate your good budgeting practices and save yourself a few more bucks by popping in for happy hour prices at your favorite watering hole.

Finally, there’s no arguing the biggest amenity of all is built into every stay at any of the large waterpark resorts and that’s free admission to the indoor and outdoor waterparks for everyone in your group.

WHEN TO VISIT: Many lodging properties offer a dip in rates for midweek stays, so if you can escape midweek, go for it. Added bonus is that there are usually shorter lines for attractions and fewer visitors overall.

SEARCH FOR DEALS: wisdells.com/deals is a dedicated section of our website where you can search deals and packages by category. While you’re on that page, be sure to sign up for the monthly e-newsletter. Or grab a Passport To Savings from one of the area booths or online at passporttosavings.com to save on some of the area’s most popular attractions.

Anyone feeling nostalgic these days? This is bound to be the year of taking a step back in time and planning a road trip getaway that mirrors vacations of years gone by. You know the kind, when simple pleasures, a slowed-down pace and wide-open spaces added up to togetherness at its best. Here are a few Wisconsin Dells classics that deliver all the nostalgia you could want and more.

**CLASSIC ROAD TRIP TO WISCONSIN DELLS**

**DRIVE-UP MOTELS**
Before hotels with parking lots the size of football fields, there were mom-and-pop motels with parking spots right outside the door to your room. You could usually set up a grill on a grassy courtyard, take a dip in an outdoor pool and play a rollicking board game before drifting off. Good value came standard. In the Dells, this motel craze never went out of style. To view a full list of motels and hotels turn to page 122.

**DRIVE-IN THEATER**
The drive-in movie theater has been an American staple for nearly a century, since 1933 to be exact, when the first one opened on the east coast. At its peak of popularity in the late 1950s, there were more than 4,000 of these “big screens” dotting the landscape. Today, that number has dwindled to just a few hundred. One of those classic theaters, Wisconsin Dells’ Big Sky Twin Drive-In Theater, still operates in all its retro glory. So, load up the pajama-clad kids and head to Big Sky, and bring Fido too if you like. Hit the snack bar and then settle in for a double feature.

**WELCOME ABOARD**
Some 150 years ago, visitors first came to Wisconsin Dells for rowboat tours of the Wisconsin River. From there tours evolved to steam paddlers and then to the double-decker vessels you see today at Dells Boat Tours. A different mode of transportation rose up in 1946, a unique land-to-water vehicle known as a Duck. No matter the vessel, you’re bound to see something different every time you take a boat tour or Duck tour of the Wisconsin River. Sit back and let the captain do the steering as you soak up the scenery.

**TRIP KEEPSAKES**
As one of the oldest businesses in Wisconsin Dells, Parsons Indian Trading Post & Museum offers a true classic shopping experience. You’ll find a wide variety of Native American art, crafts, jewelry, collector dolls, moccasins and pottery. Another popular souvenir is Wisconsin Dells fudge. The scent alone will draw you to the several shops in the Wisconsin Dells area.

**FEED THE DEER**
Wisconsin Deer Park has been an in-area staple for 70 years and a visitor favorite for generations. Stroll through the 28-acre park >
and hand-feed over 100 friendly deer from seven different countries. The photo opportunities here are abundant so don’t forget your camera.

**TAKE THE REINS**

Giddy up, as the expression goes. For lots of visitors, their Dells itinerary includes a leisurely trot through pretty landscapes courtesy of a local stable. Canyon Creek Riding Stables is perfect for beginners, as is Red Ridge Ranch Riding Stable. Woodside Ranch Riding Stables has 1,400 acres of trails so you can really get a feel for the land. Don’t care to get in the saddle? Take a horse-drawn wagon ride through a narrow gorge at Lost Canyon Tours.

**A DINING TRADITION**

The supper club is a true Wisconsin classic and you’ll find your fair share of them in the Dells. A true supper club experience starts with crackers and cheese dip and ends with an ice cream drink. Whether you favor prime rib or a traditional Friday night fish fry, it’s up to you what goes in the middle. Just make sure you throw an old-fashioned into the mix.
WE LOVE YOUR PETS TOO!

A vacation to Wisconsin Dells doesn’t mean you have to leave your furry family members behind! So, go ahead, let the dogs out!

The area has more than two dozen lodging choices that are pet-friendly, so you and your pooch will sleep soundly knowing that after a long day of sniffing out new adventures, you’ll have a comfortable place to curl up your tail and wind down. Baker’s Sunset Bay Resort and Birchcliff Resort both have water access for the breeds that are born to swim. Or rent a cabin through Sand County Service Company or Woodside Ranch Resort & Old Towne Hotel for the pets that prefer a little more seclusion. For a full list of pet-friendly accommodations turn to page 122.

Make new memories with your pet in tow as you explore the area. Start the day with a scenic hike at one of the area’s three state parks or take a leisurely walk along the Wisconsin River. Get on the water by renting a canoe or stand up paddleboard from Mirror Lake State Park: Boat & Kayak Rental. Small dogs are welcome on the land and water tours provided by Original Wisconsin Ducks® and Dells Army Duck Tours. Outdoor seating usually equates to pet-friendly dining so grab a seat outdoors, kick up your paws and refuel (double check with businesses first). Riverfront Terrace has a double decker patio space that provides the perfect little pit stop and refreshing drinks. The outdoor space at River Walk Pub Food and Spirits provides shade as well as beautiful views of the Wisconsin River. Many downtown restaurants also have pet-friendly outside seating.

Settle in for a double feature at Big Sky Twin Drive-In Theater where you can bring blankets, pillows and your pets as you view today’s biggest blockbusters. Don’t end your vacation without capturing your pet-friendly family vacation at Old Abe’s Old Time Portraits where they look forward to hosting and dressing your fur baby for the ultimate keepsake photograph.

Have plans that aren’t exactly pet-friendly but still want your beloved four-legged family member close-by? Get in touch with Pet Retreat, an all-inclusive luxury boarding and daycare pet resort. Your pup won’t be too sad in a Doggie Suite where he gets his own bed and TV!
If you’re yearning to feel like a kid again — and, rest assured, you’re not alone in that — then reference this capsule collection of hands-on vacation activities for the perfect grown-up play date. Once you have your plans in place, the only thing left to do is have some fun.
ARCADE Many resorts and even restaurants in the area have impressive arcade selections, but with over 100 game selections at Knuckleheads Trampoline Park • Rides • Bowling you will love amassing armloads of those redeemable tickets. Or if you’re downtown check out Wild Fun Zone, just look for the huge gorilla on top of their building.

AXE THROWING The new and expanded location for Asgard Axe and Tap is chock-full of personality, plus there’s pizza on the menu and several dozen craft brews on tap. This business is a member of the World Axe Throwing League so you know you’ll be getting expert guidance on hitting that bullseye.

BOWLING This sport continues to be a favorite pastime in Wisconsin, and not just for kids’ birthday parties. Wisconsin Dells has three bowling alley options, for a cool retro feel check out Chalet Lanes & Lounge.

CASINO From your classic table games to hundreds of slot machines, you’ll find plenty of ways to win big at Ho-Chunk Gaming, Wisconsin Dells, which is really a proverbial arcade for grown-ups, with chips replacing the redeemable tickets.

You’re up next in rotation to plan the annual friends’ getaway. Or maybe it’s your turn to arrange the siblings’ side trip you take every year while on summer vacation. Never fear, wine country is here. The wine experience in and around the Wisconsin Dells area has grown from just a few stops to six distinct wineries.

Wait, what’s that you say, some of the significant others prefer microbrews to merlots and brandies to Beaujolais? Mapping out a separate sipping tour for them will be a breeze, with a handful of offerings in the brews and spirits category as well. Everyone will be toasting to your good taste.
TOUR OF WINE COUNTRY

Begin your tour at an iconic winery just a short drive away, tucked within the rolling hills near the Wisconsin River, Wollersheim Winery & Distillery. This winery is a National Historic Site and has earned local and international recognition at wine competitions. Here you’ll find a wine cave, winery building and underground cellars originally constructed in the mid-1800s. Guests are consistently amazed by the beauty of this gem of a Wisconsin winery.

Located about 10 miles north of Wisconsin Dells is Fawn Creek Winery, nestled in a grove of maple and pine trees. The on-premise vineyard produces grapes for their estate vintage, with California grapes sourced for their other wines, all created and bottled on-site. This quiet neck of the woods morphs into a top music venue May through September with bands performing on their outdoor stage. There’s also a nine-hole disc golf course and classic yard games.

Situated high on the northwest range of the Baraboo Bluffs is family-owned Baraboo Bluff Winery. The vineyard cascades from hilltop to valley, providing a stunning backdrop for a glass of wine and picnic lunch. Or relax in the shade of their spacious open-air pavilion.

“Visitors often remark they can’t believe something like this is found in Wisconsin.”

Blankets are offered if it gets chilly so snuggle in and enjoy the view. Bonus – they’re pet-friendly too.

A sister winery to Baraboo Bluff Winery, Broken Bottle Winery, situated right next door to the Wisconsin Dells Antique & Craft Mall, is distinctive for its expansive tasting bars and spacious indoor seating. On Saturday afternoons, relax on the large front porch and enjoy live country music. The motto here is “You don’t have to be fancy to drink wine!”

Balanced Rock Winery, a modern boutique winery minutes from Devil’s Lake State Park, has views that go on forever. Plan a visit around the summer schedule of live musical performances. There’s even an onsite driving range here, the perfect pairing for golf and wine enthusiasts. As for the name, it pays homage to a much-photographed rock formation high above the south end of Devil’s Lake.

Finally, there’s Prairie Hawk Winery, located in the heart of farm country just outside Wisconsin Dells. This winery is known for small-batch wines using grapes sourced primarily from the west coast and all crafted in-house, with many of their wines aged in oak barrels. They also have two hard ciders on the menu and one mead made with 100% Wisconsin honey.

CRAFT A GETAWAY AROUND THESE BREW-TASTIC STOPS

The brewmaster at Moosejaw Pizza & Dells Brewing Co., Jamie Baertsch, was the first woman in Wisconsin to hold that title. Today, she oversees the brew tanks and fermenters that produce upwards of 17 different microbrews including seasonals, specialties, imperial brews and barrel-aged beers. They also bottle and can their brews so you can take home favorite flavors from your vacation.

The new kid on the block is Tumbled Rock Brewery & Kitchen, located on the doorstep to Devil’s Lake State Park. Here you’ll find there’s a story behind every beer, thanks to the creativity of head brewer Erica DeAnda. Their brewhouse includes a taproom that opens up to an inviting courtyard with yard games, fire pits and plenty of space to spread out.
At Dells Distillery, they serve their own distilled vodka, whiskey, brandy and rum. And when it comes to beer, they step it up a notch with their VIP barrel service where you can tap a keg right at your table. So, grab a few friends, pull up a stool and stay awhile. Oh, and don’t forget to try the specialty tater tot creations.

You’re invited to celebrate all things Wisconsin at Wisconsin Brew Pub, located alongside Kalahari Resorts & Conventions. With over 20 beers on tap at any given time, you might be better off ordering a sample flight first. The stadium booth seating and TV’s everywhere you turn make this an ideal stop for catching the game.

Dells Trolley Tours & Limo Bus has something called “The Full Winery Experience,” six hours of wine immersion with stops at local wineries plus lunch. There’s also a beer tour that includes beer and food pairings.

To prove we’re not playing favorites and just campaigning for the ever-popular Wisconsin Dells summer vacation, we have a lengthy list of fun ideas for the other three seasons too. Make that “other four” if you count holiday as its own season, and you probably should. But we’re getting ahead of ourselves. Let’s do this chronologically, shall we.
SPRING
Fresh air, blue skies and milder temperatures are your cue to get out of the house and on the road to Wisconsin Dells. Plan a hiking getaway and explore all three nearby state parks—Devil’s Lake, Mirror Lake and Rocky Arbor. Admire the hundreds of newly planted flowers at Pirate’s Cove Adventure Golf while playing a friendly game of putt-putt. In late spring you’ll be treated to newborn fawns at the Wisconsin Deer Park. Along with the sunshine to brighten your mood, you can brighten your home and wardrobe with shopping finds from Winnebago Gift Shop, Native Sun, DooHickey’s Gifts, Sole Moccasins & More and Watson’s Woods. You could plan a visit just around golf. Same goes for fishing.

SUMMER
A perennial favorite stretching back generations, is a given for lots of families. This is the season when “outdoors is where it’s at.” There are the world-famous outdoor waterparks, the roller coasters at Mt. Olympus Water & Theme Park, go-kart tracks at Big Chiefs Go-Karts and ADare Go Carts, scenic tours of the Wisconsin River, ziplining and ropes courses, boating, kayaking, free live music, even a farmers’ market on the weekends. The littles will enjoy going for a ride in a locomotive sized just for them at Riverside & Great Northern Railway or let them mine for treasures at Dells Mining Co. Take advantage of the weather by dining al fresco and camping under the stars.

FALL
We like to think of fall as summer’s more colorful older sibling. In addition to the beautiful scenery and tours, you could also add in Wo-Zha-Wa Days Fall Festival, Dells On Tap weekend and the Fall Wine Walk, plus visiting local wineries and breweries to your list of fall favorites. Try a haunted house, ghost boat tour or ghost walk too. You can always find something a little unnerving at Ripley’s Believe It or Not! Museum. For something less spooky, there’s the corn maze at Country Bumpkin Farm Market and, when you emerge from the stalks, treat yourself to a caramel apple and some apple cider. >

SPRING BREAK CAPITAL OF THE MIDWEST
Try spring break in the Dells, a tradition for Midwesterners who love a good road trip. The waterpark resorts give you a feel of the coast without having to get on a plane.

GHOSTLY
Wisconsin Dells Ghost Walks take place Friday and Saturday evenings, with the meet-up location in front of the Riverfront Terrace. The after-dark Ghost Boat “Journey Into Haunted Canyon” tour runs through October.
Time flies when you're having fun together, but remember to slow down and enjoy the smiles spreading across their faces as they rush through tree tops and zip over Lost Canyon. Enjoy the fun and beauty of a Canyon Zip Line Tour at Wilderness Resort.

MAKE MEMORIES FAST.

FIVE ZIPS BETWEEN SIX DIFFERENT TOWERS!
WINTER
Embrace the chill at Cascade Mountain Ski, Snowboard & Snow Tube where the snow tube chutes are 900 feet long, the ski and snowboard trails number three dozen, the snow terrain parks range from beginner to expert level and getting to the top of the mountain is a blast on the high-speed Mountain Top Express. Cross-country ski enthusiasts will find skate and classic-groomed trails at Mirror Lake State Park. Snowshoers, do a little exploring at Devil’s Lake State Park. Soothe sore muscles from all that outdoor sport with a spa treatment. Make dinner plans at your favorite comfort food spot, like MACS – Macaroni and Cheese Shop, Monk’s Bar & Grill or Pizza Pub. Reserve a cabin with views so you can watch snowflakes plump up on the pine trees.

HOLIDAY
Every year Great Wolf Lodge creates a life-size gingerbread house and installs an indoor snowfall machine in the lobby. You’ll find all the resorts decked out in red and green and twinkling lights. Chefs prepare sumptuous feasts while on-staff “elves” keep the kids happily occupied with holiday activities just for them. If you’ve never booked passage on the holiday train ride at Mid-Continent Railway Museum, add that to your itinerary too.
Travel + Leisure magazine included Wisconsin Dells in its story last year chronicling the “21 Best Places to See Fall Foliage in the United States” and the Dells was the only Midwest location to make the list. Here’s what they wrote:

“Along the Wisconsin River is a strikingly beautiful, glacier-formed gorge known as the Wisconsin Dells. During the fall, the Dells are particularly peaceful, which is ideal for leaf peepers who want to steal the perfect shot of the changing foliage. Boat tours, river walks, and sightseeing in Devil’s Lake State Park are some of the most popular attractions there.”
### SEASONAL QUICK GUIDE

From family fun and amusing attractions to adult activities and serene spas, see what each season has in store. While many activities are open for year-round fun (noted by filled circle), others may only be available through select businesses some months (half circle), or may be subject to seasonal hours (empty circle) with operating hours varying based on time of day, day of week or even weather.

There is both art and science to a waterpark vacation. Art, as in what to pack. Science, as in what to do to be safe and how to fit in all the fun. Study this Q/A and you’ll easily cover both when you visit “The Waterpark Capital of the World!®”

**WHAT ARE THE ITEMS I ABSOLUTELY SHOULD PACK FOR A DAY AT THE WATERPARK?**
It's a fairly simple list: Swimsuit, waterproof sunscreen, sunglasses, a cell phone stowed in a waterproof bag and flip flops or water shoes. If you have extra room, a big, thirsty beach towel is always nice and maybe a swimsuit cover-up and sun hat. Swim goggles are great for the wave pools, a waterproof camera to capture the fun and money for the storage lockers.

**WHAT SHOULD I LEAVE AT HOME?**
That’s easy – jewelry. You can’t wear it on the extreme waterslides anyway.

**WHAT ARE THE MAJOR SAFETY RULES?**
This is the most important question of the bunch. Always keep an eye out for the little ones, follow the directions of lifeguards and obey all the precaution signs posted at the rides, slides and pools. Turn to page 159 for more safety tips.

**WHAT IF I OR SOMEONE IN THE GROUP DOESN’T KNOW HOW TO SWIM?**
This one can’t be stressed enough: Know and acknowledge your limits, especially if you don’t know how to swim. Ask for a life jacket as you enter the park. Children under a certain age may be required to wear a life jacket.

**ANY TIPS TO ENSURE ALL GOES SMOOTHLY?**
Arrange a meeting time and place (be specific — next to the wave pool is too general) to check in with your group. Finally, pack an extra set of car keys or an extra room key and keep them in separate places. No one wants to find out at the end of a long, fun-filled day, that they’ve misplaced them.
ANIMAL MAGNETISM

Connecting with the creatures of the world doesn’t require a trip around the world, not when there’s destination Wisconsin Dells to provide visitors with up-close and awe-inspiring wildlife experiences. Here are four places where extraordinary animal encounters happen every day.

Wisconsin Deer Park

**CLASSIC EXPERIENCE:** For nearly 70 years, this unique petting zoo has captured the hearts of visitors for generations. When you enter the main area of this 40-acre park, you’re free to roam amongst the many species of deer and even feed them if you like.

**WHEN TO VISIT:** In the spring, fawns are being born. In the summer, the bucks’ antlers are in velvet which make them outstanding photo subjects. In the fall, the trees appear as if they were on fire with an explosion of reds and oranges, providing a magical backdrop.

**FAQ:** One of the most commonly asked questions is, “Where do the animals stay in the winter?” The answer is, right on the property in a special winter grounds area, and staff is there seven days a week to care for them.

International Crane Foundation

**WHY VISIT:** This is the only place on earth where you can see all 15 of the world’s crane species, and a recently completed major expansion makes this a must-see this year. Discover more than 10 acres of new exhibits, see the unique dances and behaviors of the birds and listen to their calls. Enjoy nearly 300 acres of nature trails featuring a myriad of native Wisconsin prairie plants, home to >
to many different types of butterflies and birds. Take a guided tour with a naturalist for a hands-on learning experience.

REMEMBER TO BRING: The up-close observation of cranes here is thrilling, with lots of opportunities to photograph each species in its natural habitat, so bring your camera.

THEIR MISSION: Cranes are among the most endangered birds on earth, and the International Crane Foundation is working in more than 50 countries and five continents to ensure these rare and ancient birds will always grace the planet.

Timbavati Wildlife Park

ABOUT THE PARK: This is not your average zoo, rather a hands-on experience that brings you up-close and personal with animals from around the globe. You’ll have the opportunity to view, touch or feed over 400 animals representing 75 species as you tour the park at your own pace.

DON’T MISS: Make sure to spend time with the toddler kangaroos in the new kangaroo walkthrough area. Then head to the parakeet encounter, where you’ll be surrounded by more than 200 colorful birds. You can’t miss out on feeding the giraffes, and be sure to stop by and say “hi” to Naasaha, the park’s white rhino who is known to play four-legged soccer by himself for the entertainment of guests.

VIP TREATMENT: For a more personal and informative experience, it doesn’t get much better than the VIP Behind the Scenes Tour.

Wisconsin Big Cat Rescue & Educational Center

WHY THIS EXISTS: This rescue and educational center provides a safe place and a comfortable home for abused, neglected, and unwanted big cats and also educates the public about these extraordinary animals and the actions that necessitate the need for the Wisconsin Big Cat Rescue & Educational Center.

WHAT YOU’LL SEE: The owners care for 22 big cats that have lived in captivity and, as a result, would never survive in the wild. The lions, tigers and leopards come from zoos that close down as well as private owners. Each animal has its own habitat at this rescue center.

MUST-DO: The morning feeding tour is a must. You follow the owners as they feed the cats, with the animals just four or five feet away from you. And if you wish to extend your stay, you can actually spend the night and hear the roars of the big cats at night.

“We believe when people can connect with animals, it creates a new knowledge base and lays the groundwork for a more dynamic relationship with nature and animals across the globe. That often leads people to become involved in conservation and helping to keep our world a wonderful place for humans and animals to live and co-exist naturally.”

OVER 200,000 SQUARE FEET OF INDOOR & OUTDOOR WATERPARKS

chulavistaresort.com • 866-216-0377 • Wisconsin Dells • Open Year-Round
One of the most commonly asked questions from first time visitors is, “What is there to do with toddlers?” Interestingly, another commonly posed question, just at the other end of the spectrum, is, “What is there to do if someone wants an easy-going pace?” Choose the life stage that best fits you and use the following ideas to help plan your next trip to the Dells.
OUTDOOR ACTIVITIES:
Both the large and the mid-size waterpark resorts have kid-friendly outdoor water play areas with zero-depth entry points.

Dells Mining Co. has two locations where your toddler can pan for gemstones.

With five different courses and a large playland, you can easily make an afternoon of it at Pirate’s Cove Adventure Golf. Or if shade is your preference, try the mini-golf course at Timber Falls Adventure Park.

Take your little ones to Country Bumpkin Farm Market & Lil’ Bumpkin Play Village to ride the pedal tractors, climb on the play structures and visit the farm animals at the petting zoo.

If your toddler loves choo-choos, Riverside & Great Northern Railway has a 15-gauge steam locomotive sized just right for your little one.

At B & H Trout Fishing & Bait Shop, kids can fish in spring-fed waters. There’s a large picnic area where grown-ups can grill the catch of the day.

The tubing hill at Cascade Mountain Ski, Snowboard & Snow Tube is a fun way to get fresh air in the winter, even allowing parents to link their tube with their child’s tube for added ease.

INDOOR ACTIVITIES:
Book your stay at an indoor waterpark resort and enjoy the tot-friendly water play areas year-round.

The trampoline park at Knuckleheads Trampoline Park • Rides • Bowling has options for toddlers of all jumping abilities. There are also kiddie-sized amusement rides.

You can find toddler terrific activities at many of the area resorts. The highlight at Tom Foolerys Adventure Park, located adjacent to Kalahari Resorts & Conventions is the six-story-high indoor Ferris wheel. There’s also a carousel bedecked with animals of Africa, mini-golf with two water traps and even a ropes course sized specifically with little ones in mind.

Instill in children at a young age that learning is fun with a visit to the Tommy Bartlett Exploratory – Interactive Science Center, with more than 175 hands-on exhibits including the Van de Graaff generator, a hair-raising experience.
Mini Magi Mode is a new fantasy-filled adventure available at MagiQuest/ShadowQuest at Great Wolf Lodge specifically designed for toddlers.

Swing by Buffalo Phil’s Pizza & Grille for food delivered by miniature train. Their LEGO® Brick City is a “wow” for kids and grown-ups alike.

LAID-BACK, EASILY ACCESSIBLE

Take a relaxing tour of the lavender fields at New Life Lavender & Cherry Farm.

Drift off during a spa treatment at one of the half dozen spas in the area.

Shop the Wisconsin Dells Antique & Craft Mall, Parsons Indian Trading Post & Museum and Market Square Cheese for favorite Wisconsin finds. Or window shop downtown Dells – in the summer you’ll even enjoy free downtown entertainment as you meander down Broadway.

Enjoy a scenic boat tour of the Wisconsin River where you’ll see the sandstone cliffs H.H. Bennett made famous when he first photographed them in the 1800s. Dells Boat Tours® Sunset Dinner Cruise is a relaxing way to end the evening while still enjoying the sights.

Marvel at the world’s largest collection of original restored circus wagons – more than 250 in all – and exhibits of dazzling costumes and colorful posters at state historical site Circus World, where the timeless art of the circus is on full display.

Stroll the walking trails that wind through prairies and wetlands at the International Crane Foundation, the only place in the world to see all 15 species of cranes.

Take in a home cooked meal and a music performance at the Wisconsin Opy or enjoy a leisurely meal at a classic supper club before heading to Rick Wilcox Magic Theater.

Take a drive down memory lane and put it in park at Big Sky Twin Drive-In Theater, one of the last remaining drive-in theaters in the state.

“Wisconsin Dells has been my yearly vacation destination since I was a small child. In 2011 my husband and I even had our honeymoon in the Dells. Now that we have our son, we make the trip 1-2 times a year and at a very young age he already loves the memories we’ve made and looks at the photos from our trips often. Looking forward to continuing the family tradition for years to come!”

KATIE R.

“The Dells area is a must do outing for our family. It’s always an incredible memory maker every visit!”

The personality of downtown Wisconsin Dells changes each day by the hour. That’s a good thing, since each person’s internal clock tick-tocks in its own way. Here are ideas for those who make a habit of getting up with the sun and for those who find their energy levels rise as dusk falls.

**EARLY RISER**

Even naturally early risers can benefit from a great cup of java. Start your morning with the sunrise and an espresso drink at Bella Goose Coffee – Café on the River. Or, if you’re trying to cut down on caffeine, there are fresh-pressed juices and smoothies on the menu here too. Pair your coffee with some freshly frosted donuts from Maurer’s Market IGA.

With coffee in hand, walk the Scenic River Walk. The views are always inspiring, and it’s a great way to pass the time until the downtown shops start opening for the day – usually by 10 a.m. Take advantage of being one of the first shoppers of the day and have the first pick of the day’s deals.

Stop in at The Keg Bar & Grill/The Patio for a mid-morning pick-me-up. Their mimosas are house made with freshly squeezed orange juice and you can never go wrong with their bloody mary. If you’re looking for a heartier breakfast option, you’ll want to take a closer look at their breakfast menu.

Be sure to schedule a stop at the historic H.H. Bennett Studio & Museum, the original studio of pioneering landscape photographer H.H. Bennett, also known as “the man who made Wisconsin Dells famous.”

Start your day with a morning paddle on the Lower Dells of the Wisconsin River. Whether you’re experienced or a first timer, Dells Kayak, Canoe and Tube Rentals will get you setup with the right craft.

End your morning adventures by grabbing a bite to eat at a downtown eatery. Cheese Cake Heaven Deli Restaurant has fresh-made sandwiches and wraps for a lighter bite. MACS – Macaroni and Cheese Shop offers a modern twist on the beloved comfort classic.

**MID-DAY MASTER**

The hands-on and eye-opening adventure at Wizard Quest is the perfect exercise to wake up your brain. You’ll be solving riddles, finding clues and using your imagination all while having fun. Seems like a no-brainer! >
NIGHT OWL
Fuel up with dinner first at The VUE — Waterfront Dining & Bar perched above the Wisconsin River. The menu is elevated, just like the view. Or ask for a table on the second floor of High Rock Café and enjoy the season’s freshest menu.

Care to unleash your inner Viking? Then do a little axe throwing at Asgard Axe & Tap. Their executioner coaches will teach you different techniques, games and most importantly, safety. Pair your newfound skills with a delicious microbrew from their extensive tap list.

Live music is a must, so make the rounds at Showboat Saloon, Mama’s Garage and the Riverfront Terrace. The local music scene here is impressive, as is the talent.

Kilbourn Cork invites wine lovers to “winedown” at their premium wine bar, located just off Broadway. The fire pits and string lighting are just as inviting as the self-service wine dispensers.

If you’re looking to catch a late game, grab a stool at Monk’s Bar & Grill and enjoy a legendary Monk’s burger while cheering on your team. For a stunning view of Broadway, pop into Dells Distillery and sample their unique distilled liquor while taking in the sights on their second story balcony.

Broadway comes alive at night with neon lights, street vendors and the smell of fresh fudge; so grab a sweet treat or some gourmet popcorn from Oodlesmack Popcorn and walk the downtown strip, making sure to take the time to shop a bit while taking in all the nighttime activity.
How to Spend a Perfect Evening

Downtown Dells shines brightest when dusk drapes the cityscape. Café lights, neon lights and stage lights complemented by the moon and the stars. Nostalgia blending with modern tastes—the one constant being the river.

This is when music fills the air and al fresco dining spots fill up fast. When shops stay open late and visitors linger late into the night to savor every last minute of that perfect evening.

Downtown Dells, where tourism began.

The very act of gathering together with the most important people in your life to toast to new beginnings and reflect on days gone by, now that’s something to cherish. As for finding the right place that lives up to the moment, here’s a suggestion: Plan a destination celebration in Wisconsin Dells.
Family Reunions – So Much to Catch Up On

Get as much togetherness in as possible when you take the family on a tour of the Wisconsin River. For a classic excursion, load the brood into a WWII Duck and explore both on land and on water. Or opt for a Jet Boat adventure where the spin-outs, slides and power stops will have everyone grinning. Arrange for a private VIP behind-the-scenes tour at Timbavati Wildlife Park. Bunk together in a large condominium at one of the waterpark resorts, or book side-by-side log cabins or villas at Cedar Lodge and Settlement on the Wisconsin River where you can reserve the Club Lodge overlooking the river and outdoor pool. The family will love the nightly campfires at Meadowbrook Resort while reminiscing about the day’s adventures.
Destination Weddings – Lead-Up to Last Dance

POP THE QUESTION
For outdoorsy couples, turn a hike at Devil’s Lake State Park into a stunning backdrop for your proposal. Or cozy up at the corner table at Ishnala Supper Club and, with the setting sun glistening off the water like diamonds, pop the question.

HOST A BACHELORETTE PARTY
Get fancy with the details to delight the bridesmaids. Arrange for a tour through fragrant fields and afternoon tea and pie at New Life Lavender & Cherry Farm. Spa to your heart’s content at nearby Spa Serenity, with a half-day Lavish Afternoon package. Rent the entire B&B at Ringling House Bed & Breakfast or Inn at Wawanissee Point. Dress up for an elevated private dining experience at Del-Bar or Field’s at the Wilderness and end the night with dancing at Showboat Saloon or Grateful Shed.

GET TOGETHER FOR A BACHELOR BASH
Go for a guided fishing trip to ensure you return with fish stories that actually have a grain of truth to them. There’s Redbeard Bowfishing and Fish Bones Guide Service, LLC to help put you on what’s biting. The rolling hills and natural outcroppings in the Wisconsin Dells area make for some outstanding golf courses, so don’t hesitate to rally the troops and make a tee time. Meet for happy hour and a steak dinner at Double Cut Charcoal Grill/Liquor Bar. Stay in a vacation rental home or vacation villa overlooking the fairway at Cold Water Canyon Golf Course at Chula Vista Resort or a golf course cabin at Wilderness Resort.

SAY YOUR “I DO’S”
There are three venues in the area that were created especially for weddings –
The Swan Barn Door and Vennebu Hill Wedding Venue & Conference Facility both deliver on the popularity of barn settings while Dells Bells Wedding Chapel serves up weddings Vegas-style. The Cold Water Canyon Pavilion on the Wisconsin River, accessible by boat, is an especially scenic and memorable choice. Consider golf-course views for your ceremony and reception at Trappers Turn Golf Club or Wild Rock Golf Club at the Wilderness. Arrange for limos, with Dells Limo Kings and Gallant Knight Limousine, Inc. all at your service. Book a mini-moon in a secluded woodland suite at Sundara Inn & Spa.

RETURN FOR YOUR ANNIVERSARY
Cozy up in a luxe cabin from Sand County Service Company. Book a couples massage at Spa Del Sol and Pink Nail Bar at Chula Vista Resort, where complimentary strawberries and champagne are included with your visit. Linger a little longer while you’re there in their outdoor Hot Springs. Toast to still feeling like newlyweds with a glass of fine wine and dinner for two at Kaminski’s Chop House at Chula Vista Resort or House of Embers. Buy matching moccasins at Sole Moccasins & More.

Cold Water Canyon Golf Course at Chula Vista Resort
18 HOLE COURSE
Todd Campbell, Director of Golf

**WISDELLS:** LET’S START WITH A LITTLE-KNOWN FACT ABOUT THE COURSE.
**TODD:** The front nine holes are some of the oldest in the state. The classic layout of the holes takes people back nearly 100 years ago when golf holes were not as long in length, and narrow with mature trees and small target greens.

**WD:** WHAT ARE THE MOST CHALLENGING HOLES AND WHAT’S YOUR TIP ON PLAYING THEM?
**T:** The par 3s on the front nine are the most challenging holes. They are all above average in length with small, postage-stamp greens. My tip is to be sure you have the correct yardage and pick the proper club.

**WD:** MOST COMMON REACTION FROM FIRST-TIME GOLFERS TO YOUR COURSE?
**T:** Golfers enjoy the different characteristics that the front and back nine each offer. The front nine is an old classic layout while the back nine is a more modern, link-style layout.

Fairfield Hills Golf Course & Driving Range
12 HOLE COURSE
Jim Tracy, Owner

**WD:** WHAT IS THE COURSE’S SIGNATURE HOLE?
**JIM:** Probably #6. It’s a par 4 with the tee box atop a hill and woods down the left side of the fairway. Great view of the course from the tee box. It’s also the best spot for a photo, especially in the fall when the leaves are at peak color.

**WD:** WHAT ABOUT THE MOST CHALLENGING HOLE?
**J:** #11 which is a par 5 dogleg to the left. Golfers cannot see the green from the tee box. Best tip is to take your first shot to the fairway just where the dogleg makes a turn. Many golfers try to cut the corner and lose their ball in the rough since they cannot see where the ball lands.

**WD:** FINALLY, ONE LITTLE-KNOWN FACT?
**J:** Fairfield Hills is one of the only 12 hole golf courses in Wisconsin. The unique design allows golfers to play 3, 9, 12 or 18 holes.
Spring Brook Golf Course
9 HOLE COURSE
Nick Mor, Pro Shop Manager

WD: FIRST SIGNATURE HOLE, THEN MOST CHALLENGING HOLE.

NICK: Hole #6 is the signature hole; off the tee box you need to hit over a wetland to get to the fairway as it doglegs to the right. Hole #6 would also be our most challenging hole, mainly because of the difficult tee shot and a green side sand bunker which makes for a difficult second shot if you are not in the right spot.

WD: ADVICE FOR PLAYING HOLE #6?

N: My tip to golfers on this hole is to hit a tee shot with a low iron or whatever club you hit around 200 yards which gives you a good angled shot at about 130 yards into the green. You do not want your tee shot to be too long as your approach shot will be difficult going over the sand.

WD: BEST SPOT FOR A SELFIE?

N: Hole #1 and hole #2 tee boxes are the best spots for scenic photos.

Trappers Turn Golf Club
27 HOLE COURSE
Patrick Steffes, General Manager/ Director of Golf

WD: WHAT’S NEW AT TRAPPERS TURN?

PATRICK: This summer we’ll be opening a new 12-hole short course called 12North, with large undulated greens and designed by two-time U.S. Open Champion and Madison, Wisconsin native, Andy North. He also designed our original course. We’re also adding a one-acre putting green that will feature a 12 hole putting course that will be lit at night. This amenity is free to golfers playing the golf course.

WD: WHAT IS THE MOST CHALLENGING HOLE?

P: I would consider hole #1 on the Canyon course as one of the most challenging holes on property. The hole ranges from 400 yards as a par 4 and has a tough narrow landing area off the tee with an elevated small green.

WD: WITH THE RYDER CUP NOW TAKING PLACE IN 2021, IF THERE WAS ONE PRO YOU COULD PLAY A ROUND WITH, WHO WOULD IT BE AND WHY?

P: I think I would enjoy playing with Ryder Cup Captain and Wisconsin native Steve Stricker. Steve holds the course record at Trappers Turn during the 1998 Wisconsin State Open. He shot 64 and won by 11 strokes. I personally always enjoyed watching Steve and would love to spend the day with him on the golf course!
Wild Rock Golf Club at the Wilderness
18 HOLE COURSE, AND THE
WOODS SHORT COURSE,
9 HOLE COURSE
Pat Stein, Director of Golf Operations

WD: TELL US ABOUT THE COURSE DESIGN.

WD: WHAT IS THE MOST CHALLENGING HOLE AND WHY?
P: Hole #15, a par 3, playing as long as 179 yards. This hole is carved out of an old stone quarry. The tee shot is an intimidating shot that requires you carry the quarry. Club selection and confidence are the keys to this hole.

WD: DESCRIBE YOUR SIGNATURE HOLE.
P: It’s hole #6, par 5, playing as long as 583 yards. On top of being a fun and challenging hole, the views on #6 are some of the best on the course. If you’re short on time, or a beginner golfer looking to work on your game or want a course that’s more kid-friendly The Woods Short Course, with great views of its own and an island green, is a perfect option for a round of nine.

You may not need that mulligan after all!
It really is no surprise that a top-rated, family-friendly destination like Wisconsin Dells would also be one of today’s most popular destinations for youth and amateur sports events in the Midwest. The hospitable vibe, wide range of lodging choices, top-of-the-line sports facilities, wide open green spaces and small-town love of sports had really put Wisconsin Dells on the map for tournament holders, athletes and spectators alike. Here’s a rundown of the area’s leading sports facilities:

**JustAgame Fieldhouse**
This 53,000 sq. ft. complex is comprised not only of six basketball courts and ten volleyball courts and numerous locker rooms, but is also home to the Wisconsin Basketball Coaches Association Hall of Fame and the Court of Champions with seating for over 1,700 spectators. Bonus: they’re located in downtown Wisconsin Dells close to shopping, dining and attractions for fans to stay busy in between games.

**Woodside Sports Complex**
With three campuses, you’d be hard pressed to find a sport they can’t accommodate. Their sprawling Wisconsin Dells campus includes four baseball/softball diamonds and six multi-sport fields, all synthetic turf. Their Mauston location is the largest all turf multi-sport facility in the Midwest; a baseball/softball players dream with eight synthetic turf fields. For year-round action, their massive 90,000 sq. ft. domed facility is capable of accommodating 16 volleyball courts, 10 basketball courts, 32 wrestling mats, and a full-turf softball, soccer, lacrosse or football field.

**Poppy Waterman Ice Arena**
Home to an NHL rink that impresses junior level hockey players and little tykes alike. The facility is over 16,000 square feet and is just the right size to host a multitude of events.

**Resorts with Sports**
Many of the large waterpark resorts convert conference and ballroom spaces into sports floors for cheer, dance, darts, martial arts and even e-gaming competitions.

**Area Parks**
The Wisconsin Dells area is home to a multitude of open-air sports fields and green spaces. Check out page 94 for a full list of area parks.

WHAT DOES IT MEAN TO BE A RESPONSIBLE VISITOR?

Wisconsin Dells takes to heart the important role it plays as a vacation destination for millions seeking relaxation and precious time with family and friends. Whether tourism business owners, employees, residents, or visitors, all of us can play a role in keeping Wisconsin Dells a safe and welcoming place for all now, and for years to come. How can you help?

PICK UP AFTER YOURSELF
Place trash in the proper receptacles and recycle whenever you can. If trash bins are not available, hang onto your garbage until you can properly dispose of it.

BE RESPECTFUL OF OTHERS
Treat others how you’d like to be treated. Show courtesy to fellow visitors and area workers by respecting their space and culture. Be patient during busy times.

LEAVE IT HOW YOU FOUND IT
When enjoying nature, remain on trails and follow signs. Observe and take pictures but leave nature’s beauty how you found it. Pick up after your pets.

BE MINDFUL OF WILDLIFE
Keep your distance and observe wildlife quietly from afar. Avoid feeding and touching wild animals and practice ethical fishing and hunting.

BUY LOCAL
When you shop and dine at independent, locally owned businesses, that money is directly circulated back through the local economy, supporting the community.

SHARE YOUR EXPERIENCE
Pave the way for others to have positive experiences. Leave feedback or reviews for local businesses and tell your friends and family about your trip.

PRACTICE GOOD HYGIENE
Wash and sanitize your hands often. Cover coughs and sneezes and avoid touching your eyes, nose and mouth. Keep a safe space between yourself and other people not in your travel party.

We’re making waves nationwide! Don’t believe us? Read on to see what others have to say about “The Waterpark Capital of the World!”

**Travel + Leisure**
21 Best Places to See Fall Foliage in the United States
“During the fall, the Dells are particularly peaceful, which is ideal for leaf peepers who want to steal the perfect shot of the changing foliage.”

**Men’s Journal**
Remote Wellness Retreats That Will Put Your Mind and Body at Ease
“For a Midwest take on wellness, venture to Wisconsin and book a stay at Sundara Inn & Spa. The hideout is set in the heart of an 80-acre pine forest and allows for a true digital detox, thanks to their ‘no electronics’ policy.”

**USA Today**
These Family-friendly Destinations are Opening Soon and Exciting Enough to Keep Teens Off Their Phones
“Keeping teens entertained and content while traveling is one of the most harrowing parental jobs ever. But parents won’t fret while visiting Wisconsin Dells, touted as “The Waterpark Capital of the World!” where there are more waterparks here of every size per capita than anywhere else on the planet, along with outdoor theme parks, indoor amusement parks and plenty of teen-approved places to refuel.”

**HGTB**
10 Budget-Friendly Family Summer Vacation Ideas
“Dubbed “The Waterpark Capital of the World,” Wisconsin Dells, Wisconsin is the place to go for kids who like to splash, splash, slide and float at water parks. With nearly two dozen water parks, the only question is, which one to visit first?”

**Midwest Living**
The Best Fudge Shops in America
“Naturally, one of the Midwest’s most beloved tourist towns knows its way around a drool-inducing vat of sugar, milk and butter. No trip to the Dells is complete without a stop at the Original Wisconsin Dells Fudge Shop, where you can delight in creamy confections after a day at the water park.”

**Lonely Planet**
The 10 Best Drive-In Theaters in the US
“Wisconsin Dells is best known for its water parks, but Big Sky Drive-In on Route 16 is a worthy addition to the lineup of local attractions – it’s open daily from Memorial Day to Labor Day. Their homemade sloppy joes are a unique and delicious concession offering.”

PLAY IT SAFE

With 19+ square miles of waterparks, attractions, restaurants, shops, campgrounds and resorts in Wisconsin Dells, we have endless fun and a lot of games to enjoy. We have safety systems and personnel working around the clock to help keep you safe, but following the tips and rules below will make sure your fun and games never end.

SAFETY TIPS
FOR AROUND TOWN:

THE HAWK SAFETY SYSTEM While traversing Wisconsin Dells Parkway, you’ll notice three unique looking crossing lights. The HAWK (High-Intensity Activated crossWalk) Signal lights are located in high traffic areas to allow safe street crossing for pedestrians. Reference the map located in the back of this Vacation Guide for their locations.

SLOW DOWN This isn’t your typical traffic situation, with first-time visitors often slowing down to get their bearings and to look at all the sights.

MAP IT OUT Map out your day’s activities, finding ways to avoid crossing the flow of traffic whenever possible.

PEDESTRIANS HAVE THE RIGHT OF WAY Not all crosswalks are regulated by stop lights, but pedestrians always have the right of way. Be sure to take your time and watch for children, keeping an eye out for stopped cars and any pedestrians that may be crossing the street in front of them.

USE CROSSWALKS & SIDEWALKS Pedestrians should cross only at the crosswalks and walk only on the sidewalks.

BE ON THE LOOKOUT Bicyclists are allowed to ride their bikes on the sidewalks, so watch for bicyclists whether you’re on foot or driving a car.

TRAFFIC CIRCLES The community has put in several roundabouts, so get familiar with the ins and outs of navigating a roundabout before you arrive.

MOTHER NATURE The area is home to many bodies of water including the Wisconsin River. Boaters and swimmers alike should always be alert to strong currents, as this is not something to be taken lightly.

SAFETY TIPS
FOR THE WATERPARKS:

LISTEN UP Follow the directions of the lifeguards.

SEE THE SIGNS Read and obey all the signs posted at the rides, slides and pools.

KNOW YOUR LIMITS Don’t push yourself, especially if you don’t know how to swim. Ask for a life jacket as you enter the park. Children under a certain age may be required to wear a life jacket.

WATCH OUT/LOOK HIGH AND LOW Always keep an eye out for little ones in and out of the pools (Note: Swim diapers required).

DRINK UP Stay hydrated.

SLOW DOWN Walk, don’t run.

CHECK IN Arrange a meeting time and place (Be specific — next to the wave pool is too general) to occasionally check in with the rest of your group.
